We are thrilled to be able to once again have Dennis Awe and Bob Ashworth as our concert artists. They will also be holding numerous very enlightening workshops for all attendees.

LIFE NOTES MEETING

Our next meeting will be held on Wednesday, April 18th at 1:15 pm in the classroom at the Great Northern Mall.

All are welcome to come and join in.

Last month we started out our meeting with a short information session and handed out a "Chapter Update" from Chicago to everyone. We determined when our next month's meeting would be held. Then several people played parts of Dennis Awe's medley "A Tribute To Bob Hope and Bing Crosby". We then asked for ideas about what they would like for us to do in our meetings. Some suggestions were how we could advance as a musician, techniques for playing, the usefulness and use of the USB and floppy drives, and making a CD from our LIFE members. Feel free to let us know if you have other ideas. We had a discussion on questions people had about their Lowrey organ and how to achieve a certain function on it. To end the meeting, Bob Carbone played the entire medley with Dennis' registrations I had been given by him.

Next month we will be seeing a video made for our LIFE club by Paul Shaub who is known as "The Professor" at Lowrey. No other chapter has this video so I feel we should be proud to have him do it for us. It's very informational and quite lengthy so our meeting may run over our allotted time. There are lots of ideas that he gave us in it and everyone should enjoy it. Please plan on staying later just in case this happens.

As most of you know the LIFE club from Lowrey is now free to join. If you join, you will get a monthly newsletter as well as quarterly gifts sent to your home. Our Life Notes is a chapter stemming from the LIFE club in Chicago.

If you would like more information, feel free to call Sharon Bruce (452-0879) or Jean White (452-5551).

Roland Reminder:

The next Roland class will be held on April 26th at the store and will begin at 6:00 PM. Bring your questions/comments/concerns, etc. If some of you would like to share a song or two, we'd all love to listen.

The May class will be on the 24th at my house. It will start at 6:30. If some of you would like to share a song or two, we'd all love to listen. As usual, I'll have some things to talk about.....and with luck, I'll even provide some food (I know this about dinner time!!) The class will last about an hour.

Thanks,
Barbara Cavellier
